## Why Should You Choose Serenity Lane for Your Recovery Journey?

At Serenity Lane, we understand that no two journeys to recovery are the same. Our [West Portland Drug Rehab](#) location is equipped with a team of experienced professionals who focus on treating the whole person, addressing the physical, emotional, and mental aspects of addiction. With over 50 years of experience, our programs are designed to empower clients to achieve sustainable recovery. By choosing Serenity Lane, you are choosing a partner who is committed to your long-term success and well-being.

# **Our Portland Addiction Treatment and Recovery Programs**

## **Medical Detox For Drugs & Alcohol**

Our medical detox program in West Portland provides a safe and supportive environment for individuals beginning their recovery journey. With 24/7 medical supervision, we manage withdrawal symptoms effectively, ensuring a comfortable and secure detox process.

## **Inpatient Treatment**

Inpatient treatment at our [West Portland Drug Rehab](#) facility offers a structured environment for individuals who need focused and immersive care. Clients benefit from individualized treatment plans, therapy, and round-the-clock support to help them build a solid foundation for recovery.

## **Outpatient Treatment**

Our outpatient treatment program is designed for those who need flexibility while receiving high-quality care. Clients at our West Portland center attend therapy and counseling sessions while continuing to manage work, school, or family commitments.

### **Intensive Outpatient Program (IOP)**

The Intensive Outpatient Program (IOP) provides a higher level of support for individuals who require more structure. At our West Portland facility, clients engage in multiple weekly sessions that focus on relapse prevention, skill development, and emotional healing.

### **Partial Hospitalization Program (PHP)**

Our Partial Hospitalization Program (PHP) bridges the gap between inpatient and outpatient care. This program at our West Portland location provides intensive treatment during the day, allowing clients to return home at night as they transition back to daily life.

## **The Addiction Treatment Services Available at Our Portland Drug Rehab**

## **Heroin Addiction Treatment**

Heroin addiction requires specialized care, and our West Portland facility offers comprehensive detox, therapy, and relapse prevention strategies to support long-term recovery.

## **Cocaine Addiction Treatment**

Our cocaine addiction treatment program focuses on addressing the physical and psychological challenges of stimulant dependency. Through therapy and support at our West Portland location, clients regain control over their lives.

## **Meth Addiction Treatment**

Meth addiction can have serious impacts on health, but our specialized program in West Portland provides detox, counseling, and education to help clients recover and thrive.

## **Fentanyl Addiction Treatment**

At our West Portland facility, we tackle the complexities of fentanyl addiction with a combination of medical care, therapy, and relapse prevention. Clients receive the support they need to rebuild their lives safely and sustainably.

## Benzodiazepine Addiction Treatment

Benzodiazepine addiction requires careful management, and our West Portland program ensures safe detox and comprehensive therapy to address dependency and its underlying causes.

## Alcoholism Treatment in Portland

Alcohol use disorders affect millions, but recovery is possible with Serenity Lane's comprehensive alcohol use disorder treatment program. At our West Portland location, clients receive detox, therapy, and family support, creating a strong foundation for long-term sobriety.
